Team Update:

ELSA and I have been doing great these past few months. A few months ago, we took to life on the road and started a motor home trip. The experiences built and time spent with family was wonderful. During our trip, we went to water parks, lakes, camp grounds, beaches, and state parks. All of which would have never happened without the confidence and self-empowerment ELSA provides to me each and every day. Now that we are back home and Fall has officially arrived, we look forward to continue attending the many small family farms, like Gaver Farms, for fall activities.

Thank you!
